

## Ice Lake Trail Plants

Nomenclature follows bonap.net/TDC/  
APGIII

### 1. Adoxaceae (Adoxa)

*Adoxa moschatellina*  
*Sambucus microbotrys*

### 2. Alliaceae (Onion)

*Allium geyeri*

### 3. Apiaceae (Parsley)

*Angelica grayi*  
*Cymopterus montanus*  
*Heracleum maximum*  
*Ligusticum porteri*  
*Osmorhiza depauperata*  
*Oxypolis fendleri*

### 4. Asteraceae (Sunflower)

*Achillea millefolium*  
*Agoseris aurantiaca*  
*Agoseris glauca*  
*Anaphalis margaritacea*  
*Antennaria spp*  
*Arnica cordifolia*  
*Arnica mollis*  
*Arnica parryi*  
*Cirsium parryi*  
*Erigeron coulteri*  
*Erigeron elatior*  
*Erigeron glacialis*  
*Erigeron melanocephalus*  
*Erigeron speciosus*  
*Helianthella quinquenervis*  
*Heliomeris multiflora*  
*Heterotheca pumila*  
*Hymenoxys hoopesii*  
*Leucanthemum vulgare*  
*Oreochrysum parryi*  
*Packera dimorphophylla*  
*Packera neomexicana*  
*Senecio amplexatus* var. *amplexatus*  
*Senecio amplexatus* var. *holmii*  
*Senecio atratus*  
*Senecio crassulus*  
*Senecio integerrimus*  
*Senecio serra*  
*Senecio triangularis*  
*Solidago multiradiata*  
*Taraxacum officinale*  
*Tetranneuris grandiflora*

### 5. Boraginaceae

#### (Forget-Me-Not)

*Hydrophyllum fendleri*  
*Hydrophyllum heterophyllum*  
*Mertensia ciliata*  
*Mertensia franciscana*

### 6. Brassicaceae (Mustard)

*Boechera stricta*  
*Cardamine cordifolia*  
*Descurainia incisa*  
*Draba crassifolia*  
*Draba spectabilis*  
*Erysimum capitatum*  
*Noccaea montana*

### 7. Caprifoliaceae

#### (Honeysuckle)

*Lonicera involucrata*

### 8. Campanulaceae (Bellflower)

*Campanula rotundifolia*

### 9. Caryophyllaceae (Pink)

*Eremogone fendleri*  
*Gastrollychnis drummondii*  
*Lidia obtusiloba*  
*Silene acaulis*  
*Stellaria longipes*  
*Stellaria umbellata*

### 10. Crassulaceae (Stonecrop)

*Rhodiola integrifolia*  
*Rhodiola rhodantha*

### 11. Equisetaceae (Horsetail)

*Equisetum arvense*

### 12. Ericaceae (Heath)

*Moneses uniflora*  
*Orthilia secunda*  
*Vaccinium myrtillus*

### 13. Fabaceae (Pea)

*Astragalus alpinus*  
*Hedysarum occidentale*  
*Trifolium attenuatum*  
*Trifolium parryi*  
*Trifolium pratense*  
*Trifolium repens*

### 14. Gentianaceae (Gentian)

*Frasera speciosa*  
*Gentiana thermalis*  
*Swertia perennis*

### 15. Geraniaceae (Geranium)

*Geranium richardsonii*

### 16. Grossulariaceae (Currant)

*Ribes laxiflorum*  
*Ribes montigenum*  
*Ribes wolfii*

### 17. Juncaceae (Rush)

*Luzula parviflora*

### 18. Liliaceae (Lily)

*Lloydia serotina*  
*Streptopus amplexifolius*

### 19. Melanthiaceae (False Hellebore)

*Anticlea elegans*  
*Veratrum californicum*

### 20. Menyanthaceae (Buckbean)

*Menyanthaceae trifoliata*

### 21. Montiacaceae

*Lewisia pygmaea*

### 22. Onagraceae (Evening Primrose)

*Chamaenerion angustifolium*  
*Epilobium hornemannii*

### 23. Orchidaceae (Orchid)

*Goodyera oblongifolia*  
*Platanthera stricta*  
*Neottia cordata*

### 24. Orobanchaceae

*Castilleja miniata*  
*Castilleja occidentalis*  
*Castilleja rhexifolia*  
*Castilleja septentrionalis*  
*Pedicularis bracteosa*  
*Pedicularis groenlandica*  
*Pedicularis racemosa*

**25. Phrymaceae (Lopseed)**

*Mimulus guttatus*

**26. Plantaginaceae (Plantain)**

*Bessya ritteriana*

*Chionophila jamesii*

*Penstemon whippleanus*

*Veronica americana*

*Veronica nutans*

**27. Polemoniaceae (Phlox)**

*Polemonium confertum*

*Polemonium pulcherrimum*

*Polemonium viscosum*

**28. Polygonaceae (Buckwheat)**

*Bistorta bistortoides*

*Bistorta vivipara*

*Rumex crispus*

**29. Primulaceae (Primula)**

*Androsace septentrionalis*

*Primula parryi*

**30. Ranunculaceae (Buttercup)**

*Aconitum columbianum*

*Anemone multifida*

*Aquilegia coerulea*

*Aquilegia coerulea x elegantula*

*Aquilegia elegantula*

*Caltha leptosepala*

*Delphinium barbeyi*

*Ranunculus alismifolius*

*Ranunculus inamoenus*

*Ranunculus uncinatus*

*Thalictrum fendleri*

*Trollius laxus*

**31. Rosaceae (Rose)**

*Geum rossii*

*Dasiphora fruticosa*

*Fragaria virginiana*

*Potentilla pulcherrima*

*Potentilla spp*

*Rosa woodsii*

*Sibbaldia procumbens*

**32. Saxifragaceae (Saxifrage)**

*Micranthes odontoloma*

*Micranthes rhomboidea*

*Micranthes oregana*

*Mitella stauropetala*

*Pectiantia pentandra*

*Saxifraga austromontana*

*Saxifraga rivularis*

**33. Scrophulariaceae  
(Snap-Dragon, Figwort)**

*Verbascum thapsus*

**34. Valerianaceae (Valerian)**

*Valeriana acutiloba*

*Valeriana edulis*

**35. Violaceae  
(Violet)**

*Viola adunca*

*Viola bellidifolia*

*Viola canadensis*

**Plants of Higher Altitude that  
might be seen**

36. *Tonestus pygmaea*

37. *Eritrichium nanum*

38. *Trifolium nana*

39. *Trifolium dasyphyllum*

40. *Phacelia sericea*

41. *Pedicularis parryi*

42. *Packera cana*

43. *Oxyria digyna*

44. *Claytonia megarhiza*

45. *Sedum lanceolatum*

46. *Primula angustifolia*

47. *Dryas octopetala*

48. *Phlox condensate*

49. *Smelowskia*
