

Narraguinep Research Natural Area Plant List
 Compiled from Leslie Stewart's trips of June 16, 2000 and June 17, 2001,
 And from Al and Betty Schneider's trips from 2003-2010.

TREES

Aceraceae Acer glabrum	Maple Family Mountain maple
Cupressaceae Sabina scopulorum	Cypress Family Rocky Mountain juniper
Fagaceae Quercus gambelii	Oak Family Gambel Oak
Pinaceae Pinus edulis Pinus ponderosa ssp scopulorum Pseudotsuga menziesii	Pine Family Pinyon Pine Ponderosa Pine Douglas Fir
Salicaceae Populus angustifolia Populus tremuloides Salix lucida ssp caudata Salix lucida ssp lasiandra Salix monticola	Willow Family Narrowleaf Cottonwood Aspen Strapleaf Willow Whiplash Willow Willow

SHRUBS

Berberidaceae Mahonia repens	Barberry Family Oregon Grape
Caprifoliaceae Symphoricarpos rotundifolius	Honeysuckle Family Snowberry
Cornaceae Swida sericea	Dogwood Family Red Osier
Grossulariaceae Ribes inerme	Currant Family Gooseberry
Rhamnaceae Ceanothus fendleri	Buckthorn family Buckbrush
Rosaceae Amelanchier alnifolia Cercocarpus montanus Crataegus rivularis Padus virginiana Pentaphylloides floribunda Purshia tridentata Rosa woodsii	Rose Family Serviceberry Mountain mahogany Hawthorn Choke cherry Shrubby cinquefoil Buckbrush Wood's rose

GRASSES Grasslikes

Cyperaceae Carex geyeri Carex utriculata	Sedge Family Elk sedge
Equisetaceae Equisetum pratense Hippochaete laevigata	Horsetail Family Horsetail Scouring Rush
Poaceae Achnatherum nelsonii Agrostis gigantea Anisantha tectorum Bromopsis inermis Bromopsis lanatipes Bromopsis porteri Bromopsis spp Danthonia intermedia Elymus elymoides Elymus glaucus Festuca arizonica Hesperostipa comata Koeleria macrantha Muhlenbergia montana Pascopyrum smithii Phleum pratense Poa fendleriana Poa pratense	Grass Family Needlegrass Redtop Cheatgrass Smooth brome Nodding brome Nodding brome Oat grass Squirreltail Blue wild rye Arizona fescue Needleand thread Junegrass Mountain muhly Western wheatgrass Timothy Muttongrass Kentucky bluegrass

FORBS

Agavaceae Yucca baccata	Broad-leaved Yucca
Alisinaceae Eremogone congesta Pseudostellaria jamesiana	Chickweed Family Sandwort Tuber starwort
Alliaceae Allium acuminatum	Onion Family
Anacardiaceae Toxicodendron rydbergii	Sumac Family Poison ivy
Apiaceae Ligusticum porteri Lomatium dissectum Lomatium triternatum Osmorhiza depauperata Osmorhiza occidentalis Oxypolis fendleri Pseudocymopterus montanus	Parsley Family Lovage Sweet cicely Sweet cicely Cowbane Mountain parsley

Narraguinep Research Natural Area Plant List

Compiled from Leslie Stewart's trips of June 16, 2000 and June 17, 2001,
And from Al and Betty Schneider's trips from 2003-2006.

Apocynaceae	Dogbane Family	Silene sp	
Apocynum cannabinum	Indian hemp		
Asteraceae	Sunflower Family	Celastraceae	Stafftree Family
Achillea lanulosa	Yarrow	Paxistima myrsinites	Mountain lover
Antennaria dimorpha		Convallariaceae	Mayflower Family
Antennaria parvifolia	Pussytoes	Maianthemum amplexicaule	Solomon's Plume
Artemisia ludoviciana	Louisiana sage	Maianthemum stellatum	Star Lily
Balsamorhiza sagittata	Arrowhead Balsamroot	Euphorbiaceae	Spurge Family
Brickellia grandiflora	Brickellia	Tithymalus brachyceras	Small spurge
Carduus nutans	Musk thistle	Fabaceae	Pea Family
Cirsium tracyi	Thistle (native)	Astragalus flexuosus	Milk vetch
Cirsium spp	Thistle (native)	Astragalus scopulorum	Milkvetch
Erigeron flagellaris	Trailing fleabane	Lathyrus leucanthus	Peavine
Erigeron speciosus	Showy fleabane	Lotus wrightii	Lotus
Helianthella quinquenervis	Five nerved sunflower	Lupinus caudatus	Lupine
Helianthus rigidus ssp. subrhomboides		Lupinus kingii	
Heliomeris multiflora	Many flowered sunflower	Thermopsis montana	Goldenbanner
Heterotheca villosa	Hairy goldenaster	Trifolium longipes	Clover
Oligosporus dracunculus	Tarragon	Vicia americana	American vetch
Packera neomexicana	Groundsel	Gentianaceae	Gentian Family
Petradoria pumila	Rock goldenrod	Frasera speciosa	Monument plant
Psilochenia acuminata	American Hawksbeard	Geraniaceae	Geranium Family
Rudbeckia ampla	Goldenglow	Geranium caespitosum	Geranium
Senecio integerrimus		Geranium richardsonii	Geranium
Senecio eremophilus		Helleboraceae	Hellebore Family
Solidago canadensis		Delphinium nuttallianum	Larkspur
Solidago missouriensis	Smooth Goldenrod	Iridaceae	Iris Family
Solidago velutina	Goldenrod	Iris missouriensis	Wild iris
Stenotus armerioides	Ring Grass	Lamiaceae	Mint Family
Taraxcum officinale	Dandelion	Mentha arvensis	
Tetraneuris ivesiana	Perky Sue	Liliaceae	Lily Family
Tragopogon dubius	Salsify	Erythromium grandiflorum	Avalanche lily
Wyethia x magna	Wyethia	Linaceae	Flax Family
Berbericaceae		Adenolinum lewisii	Wild blue flax
Mahonia repens		Melanthiaceae	False Hellebore Family
Boraginaceae	Borage Family	Toxicoscordion venosum	Death camas
Lithospermum multiflorum	Puccoon	Monotropaceae	Pinesap Family
Mertensia lanceolata	Bluebells	Pterospora andromedea	Pinedrops
Brassicaceae	Mustard Family	Onagraceae	Evening primrose Family
Boechera drummondii	False arabis	Chamerion danielsii	Fireweed
Lepidium montanum	Western Peppergrass	Oenothera coronopifolia	
Noccaea montana	Wild Candytuft		
Streptanthella longirostris			
Cactaceae	Cactus Family		
Cylindropuntia whipplei	Rattail cactus		
Opuntia fragilis			
Pediocactus simpsonii			
Caryophyllaceae	Pink Family		

Narraguinep Research Natural Area Plant List

Compiled from Leslie Stewart's trips of June 16, 2000 and June 17, 2001,
And from Al and Betty Schneider's trips from 2003-2006.

Orchidaceae	Orchid Family	Penstemon strictus	Rocky Mtn. Penstemon
Corallorhiza trifida	Coralroot	Verbascum thapsis	Mullein
Polemoniaceae	Phlox Family	Thalictraceae	Meadowrue Family
Ipomopsis aggregata	Trumpet gilia	Thalictrum fendleri	Meadowrue
Microsteris gracilis		Valerianaceae	Valerian Family
Polemonium foliosissimum	Jacob's Ladder	Valeriana edulis	Valerian
Polygonaceae	Buckwheat Family		
Eriogonum ovalifolium			
Eriogonum racemosum	Raceme buckwheat		
Etiogonum umbellatum			
Pterogonum alatum	Winged Buckwheat		
Portulacaceae	Purslane Family	BIRDS	
Claytonia lanceolata	Spring beauty	American Robin	
Oreobroma nevadensis	Lewisii	American Kestrel	
		Common Raven	
		Dark-eyed Junco	
Primulaceae	Primrose Family	Flycatchers – Cordilleran	
Androsace septentrionalis	Fairy Candleabra	Dusky	
		Hammonds	
		Olive-sided	
		Western Wood-Pewee	
Ranunculaceae	Buttercup Family	Hermit Thrush	
Coriflora hirsutissima	Leatherflower	House Wren	
Ranunculus alismifolius		Mountain Chickadee	
Ranunculus glaberrimus		Mourning Dove	
		Northern Flicker	
Rosaceae	Rose Family	Nuthatches – Pygmy	
Amelanchier utahensis		White breasted	
Cercocarpus montanus		Red Crossbill	
Geum alepicum	Avens	Townsend Solitare	
Potentilla hippiana	Cinquefoil	Turkey Vulture	
Potentilla pulcherrima	Cinquefoil	Violet -green Swallow	
Purshia tridentata		Vireos – Plumbeous	
		Warbling	
Rubiaceae	Madder Family	Warblers – Graces	
Galium septentrionale	Northern bedstraw	Yellow-rumped	
		Western Flycatcher	
Santalaceae	Sandlewood Family	Western Tanager	
Comandra umbellata	Bastard toadflax		
Saxifragaceae	Saxifrage Family		
Lithophragma glabrum			
Scrophulariaceae	Figwort Family		
Castilleja linariifolia	Paintbrush		
Castilleja miniata	Paintbrush		
Collinsia parviflora	Blue-eyed Mary		
Lithophragma glabrum			
Lithophragma parviflorum			
Pedicularis procera	Lousewort		
Penstemon barbatus	Scarlet Bugler		
Penstemon linarioides	Penstemon
